

On June 26, 2018, the LSKD Women's Initiative held its inaugural event at the Capital Grille. We hosted Justice Doris Gonzalez and Justice Saliann Scarpulla of the New York State Supreme Court and Judge Patricia DiMango, formerly of the New York State Supreme Court and current host of the television show "Hot Bench", to speak to the women of the firm and clients. The judges discussed their unique experiences, career paths and issues which they believe women in this field encounter. Each had a different trajectory to arrive at where she is today, but also shared common ground in the challenges she faced and continues to face. The Judges and all who attended expressed their support for our organization and all future events.

Stay tuned for information on our next event!
